

ILLINOIS VETERAN'S MOTORCYCLE LICENSE PLATES

**YOU CAN HELP
MAKE THIS HAPPEN !**

The State of Illinois has agreed to issue Veteran Motorcycle Plates, but they can't shrink them to motorcycle plate size until there are 850 names on their waiting list. Sign up now. Help veterans get the recognition we deserve. With hard work the plates may be ready soon. *** URGENT *** We are getting close. If we work hard and get the word out to our fellow veterans who ride motorcycles, we might be able to have these plates available in 2005. Sign up now and give copies of this form to every Illinois veteran you know who rides. Let's Make This Happen!!!
